Dear Chiara,

On behalf of the European Society of Human Genetics, I would like to congratulate you for a

**HONOURABLE MENTION**

**at the European DNA Day Essay Contest 2019  
of the European Society of Human Genetics**

Your essay on 'Why does gene editing work, and why are the expectations for this approach so high?' has impressed the members of the jury based on its originality, its scientific content and the fact that you expressed so clearly your views on gene editing.

We do hope that your interest in genetics and DNA will continue to grow over the years and that you will continue to follow the developments in the field, which promise to become more and more spectacular.

Thank you for participating in the contest. We wish you all the best in your future studies.

Yours sincerely,

Dr. Christophe Cordier  
ESHG DNA Day Coordinator

Dr. Gunnar Houge  
President of the ESHG
